What is ITIL®4 Specialist Create, Deliver and Support e-learning

This e-learning covers the core service management activities and extends the current scope of ITIL to the 'creation' of services. This module focuses on integrating different value streams and activities to create, deliver and support IT-enabled products and services, while also supporting practices, methods and tools.

Who should attend ITIL®4 Specialist Create, Deliver and Support e-learning

ITIL 4 Specialist Create, Deliver and Support is aimed at IT Service Managers who manage IT-enabled digital products and services, and those responsible for end-to-end delivery. After this e-learning you will be able to continue to offer your customers innovative, yet reliable, technical support in an increasingly competitive market.

ITIL 4 Foundation is a mandatory pre-requisite.

Prerequisites

ITIL 4 Foundation

About Capgemini Academy

Capgemini Academy's professionals offer what people in IT need. Our professionals have a keen eye for motivation, talent and are aware of specific contexts and circumstances. They move people to move. Programmes and courses that originate from daily experience of our both didactical and substantively strong trainers, light a fire within the individual IT professionals. Real life stories of our professionals' experience that tell how to solve problems and work with the people around it, do the rest.

An organization, like ours, helps people and their organizations day by day to get the best out of themselves and each other. We prepare them to defy tomorrow's challenges. We stimulate learning and curiosity. In order for individual IT professionals and their employers, to build better, longer and more intensive relationships. For mutual benefit.

Capgemini Academy. We transform IT professionals
